FILE # IA00639

Request for Information

The U. S. Environmental Protection Agency (EPA) is seeking additional information about the management of materials at your facility. Section 3007 of the Resource Conservation and Recovery Act (RCRA) gives EPA the authority to obtain this information in order to determine your facility's compliance with the hazardous waste regulations.

The enclosure contains instructions, followed by the requested information. Please carefully read and follow these instructions. Your response to this request in accordance with the instructions is required, and substantial penalties may result from not complying. Please note that EPA retains its authority to pursue appropriate enforcement actions, including penalties, for violations discovered as a result of review of your response to this letter.

Within thirty (30) calendar days of receiving this letter, please mail your response to: Mr. Brian Mitchell, ARTD/RESP, U. S. Environmental Protection Agency, 726 Minnesota Avenue, Kansas City, Kansas 66101. To request an extension of the time limit, follow the instructions in the enclosure. Please direct all questions to Mr. Mitchell at (913) 551-7633.

Sincerely,

JoAnn M. Heiman, Chief
RCRA Enforcement and State Programs Branch
Air, RCRA, and Toxics Division
